

YOU HAVE BEEN DRAFTED!

OPERATION: Solid Lives is an intense discipleship program designed to get God's Word into you and you into God's Word. We say we want to read our Bible, to pray, to be serious about the things of God—but it's tough. These things don't just happen, they take discipline ... and that's where **OPERATION:** Solid Lives comes in.

Each OSL class is designed to help you put God first in every area of your life ... it's the Christian life you've heard about, thought about, wanted, but never knew how to have. Reading your Bible everyday, praying, journaling, learning through incredible Bible teachings and more all play a part in making your life the one you always wished it would be. There are six levels of OSL. Level one; Basic Training will convince you of God's awesome love for you and show you how you receive the fullness of His salvation. Level two; Boot Camp will lay a foundation for solid living while guiding your understanding of God's Ways. Level three; CIA is all about the central intelligence of the Kingdom of God, The Bible. Level four; Air Force will launch you into understanding the powers of the unseen realm. Level five; Special Ops is where you can take hold of your "ministry" and move out into the calling God has placed on you. Finally, in level six; Officers' Academy you will be taught to lead people and preach and teach the Word. As you pass each level, you will be gaining spiritual wisdom and insight that only comes from spending time in God's Word and learning from the Holy Spirit. These classes can only be described as "life-changing".

How Do I Start? People of every age and season of life have made the choice to "do what it takes" and be a disciple in the **OPERATION:** Solid Lives program. The results? A changed life and a passion and understanding for God like they've never experienced before. These classes are offered in six-week classes throughout the year (except Basic Training, which is four weeks). Either way, your life is set to be revolutionized by God's Word. Complete the tear-off portion below, bring it with you to The Rock and sign up for the next Basic Training class.
